

Trigger Action Washdown Set (714CP)

Features

- Ideal to be used as a douche / bidet
- Wide range of uses
- Easy to install

Finishes

Chrome or White

Warranty

1 Year

Product Description

The 714 set is a versatile set that can be used for a variety of applications including douche / bidet, wound care, pet grooming or general purpose cleaning.

The set consists of a trigger action handpiece, bracket and 1.5m hose. In the chrome version it is available with a standard metal flex hose or a smooth (easier to clean) silverflex hose. In the white version it comes with a white vinyl hose

When being used as a douche set it must be installed with an approved non-return valve in accordance with AS/NZS 3500.1 Clause 12.2.3. It must also be installed on a suitable stop cock, and shut off when not in use.

Specification

The shower bracket shall be Auscan Imports 714(xx) Trigger Action Washdown set in (xxx) finish.
